We can dance on the asphalt pavement at the NE corner of the Village Green, near the library and Village offices, or on the bandstand; it's our option. Rain shelter is available in the bandstand; the Village has us on record as using it that day. The library has public restrooms.

The Hounds will bring water jugs, but food and other beverages are up to attendees. See the food map and guide (see separate document). ***We encourage everyone to gather near the bandstand to eat and socialize; this will help us stay together when we leave at 12:30 sharp. Bring a chair if you are not comfortable sitting on the ground. NOTE: you may be parked several minutes away.***

**STOP 2: Heritage Farm - 3599 NYS Route 46, Bouckville, NY (1-2:30 pm)**

Heritage Farm ([heritagefarminc.org](http://heritagefarminc.org)) provides services to individuals with developmental disabilities and their families. The farm has a wide variety of animals including bunnies, chickens, goats, pigs, and horses. It is not a petting zoo, but most of the animals are used to being handled by people because that is part of the farm's routine.

We will dance in the asphalt parking lot from 1-2, then have ½ hour to walk around, pet animals, answer questions, etc before leaving. There will be bathrooms we can use.

**Stop 3: Nelson Farms Country Store 3261 US Route 20, Nelson, NY (3-4:15 pm)**

Nelson Farms Country Store is an outlet for locally produced foods, with a wide variety of cheeses, beverages, and condiments. The store is affiliated with SUNY Morrisville, which has cooking and restaurant management classes and test kitchens. SUNY students have developed and commercialized products for retail sale through this collaboration. There is a small taproom with four local brews on tap but also offer many other alcoholic and non-alcoholic beverages in their coolers. There are public restrooms.

We will dance in the asphalt parking lot from 3-4. Before leaving, we'll take 15 minutes to use restrooms and buy stuff (e.g., snacks to take to Delphi Falls).

**Leave Nelson Farms by 4:15 pm and drive to Delphi Falls County Park**

**Directions: Delphi Falls** (shown in lower left corner of map, also in the photo)

Nelson Farms Country Store to Delphi Falls - 10.8 miles, 15 minutes (30 minutes in schedule)

1. Turn right out of driveway onto US 20 heading west. Drive west on 20 for 4.3 miles
2. At the T intersection (and traffic light), turn left to remain on 20.
3. Stay in the left lane for 0.2 miles, then go straight onto NY Route 13, heading South toward DeRuyter. **DO NOT CURVE RIGHT TO CONTINUE ON ROUTE 20!**
4. Stay on Route 13 for 4.4 miles, then turn right (west) onto Delphi Road
5. Stay on Delphi Road for 1.5 miles, then turn left (south) onto Cardner Road
6. Stay on Cardner Road for 0.3 miles, then turn left (east) into parking lot of Delphi Falls County park.

**Stop 4: Delphi Falls County Park, 2006 Cardner Road, Cazenovia, NY (4:30 - departure)**

This will be the final stop of the tour. Delphi Falls County Park is open from dawn until dusk. The trail to the waterfall is very short and handicapped/wheelchair accessible. You can wade in the stream below the falls but not swim - it's a bit shallow for swimming, anyway. There is no paid lifeguard or attendant.

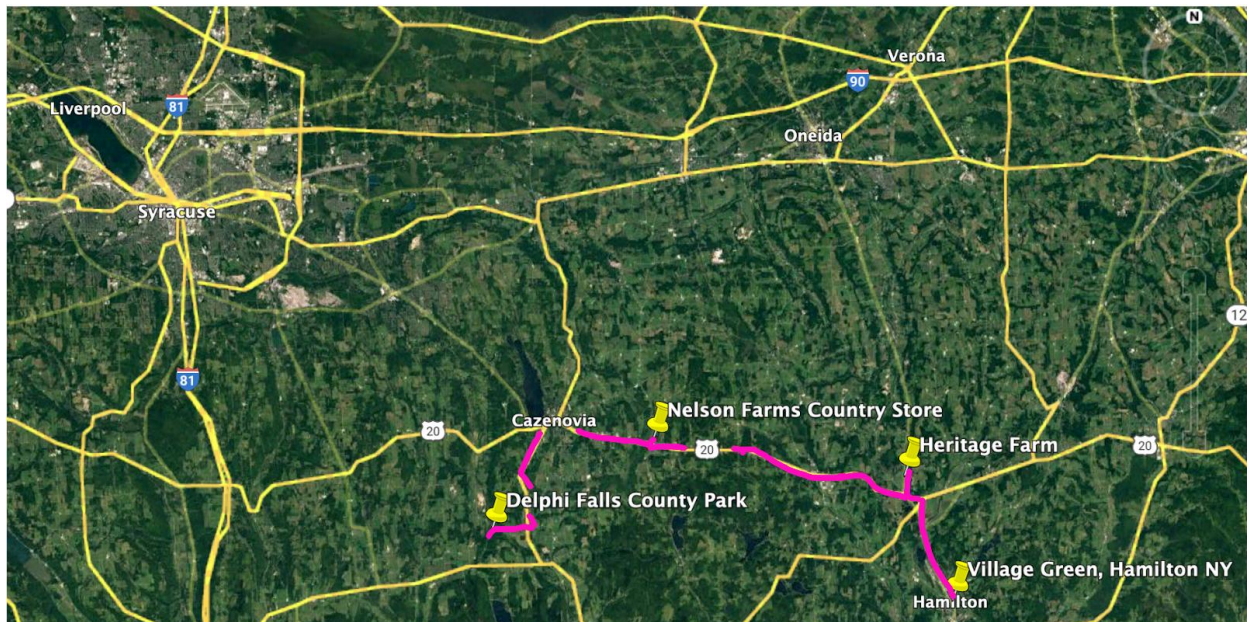

We can dance wherever we think the surface is acceptable - probably in one of the available parking lots or next to the house. We cannot go into the buildings but there are chemical toilets at this location. The Hounds intend to do a mass Mr. Dolly in the creek. Plan accordingly! We are not advertising this stop. Dance as much as you like, leave when you need to.

Tobacco is prohibited in the park. So are glass containers, but alcohol is not mentioned in their rules, so it is presumably okay in non-glass containers. This is a carry-in, carry-out park and Hounds will activate the Garbage Czarism for this purpose. The Hounds will bring some snack food and beverages (TBD) and you are welcome to bring some, too.

There are a few picnic tables and benches, but you will probably want to bring your own chair.

**Overview of the tour:**

The map below is printed from Google Earth and shows the stops on the tour, to give you a sense of the day. The first stop is the easternmost point in the tour. From there, Syracuse and Rochester attendees will be working their way westward, closer to home as the day progresses.
